Important Tour Information:

Book Now rates valid until December 18, 2026, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 19 people (maximum of 24).

Extensive walking is required in historic areas and archaeological sites due to tour bus restrictions. Sightseeing involves uneven terrain (rocks, sand), limited seating, and prolonged sun exposure.

The included activities are not suitable for travelers using motorized scooters, wheelchairs, walkers, or Zimmer-frames.

If you require any special assistance while on tour, please make us aware at the time of reservation so the necessary request form can be sent to your attention.

Temperatures can easily exceed 105° F (40.5° C), particularly in Petra, the Dead Sea, Aswan, and Luxor.

***Visiting the Valley of the Kings requires walking on sand and mostly unpaved paths. In addition, visiting the tombs requires navigating through multiple steep staircases and/or ramps with limited help from handrails. All tombs are underground, narrow, and enclosed, which may not be suitable for those with claustrophobia.

While in Jordan, your tour includes many long drives. In particular, your transfer from Amman to Petra involves 4.5 hours of driving, and your transfer from Petra to the Dead Sea involves 6 hours of driving.

Your tour includes many early-morning departures. On days visiting Petra, Giza, the Valley of the Kings, and Edfu, you should expect early morning departures between 5:30 a.m. and 7:30 a.m. to ensure you profit from the cooler hours of the day and reach the sites ahead of the larger crowds.

Entering the interior of the Great Pyramid is not part of the standard visit, as it requires climbing steep, narrow steps and passing through a 300-foot (100-meter) low shaft. This involves both climbing and crouching, and there are no handrails available. The experience is not recommended for

individuals with claustrophobia. If you wish to add this visit (which costs an additional $40 USD paid on site), the Tour Manager can assist you.

Photography and videography for personal use are allowed at most archaeological sites and museums with non-professional devices, but flash is usually prohibited indoors to protect artifacts. Your Tour Manager will update you on any local rules.

During your tour, you will have two Tour Managers, each providing country-specific guidance throughout your journey. Your first Tour Manager will guide you through Jordan, where you will say goodbye and meet your second Tour Manager, who will accompany you throughout your travels in Egypt.

Museum visits and shopping may be affected by the observance of religious or local holidays.

The days and order of sightseeing may change to best utilize your time on tour. Order of sightseeing on board the ship may vary based on departure and weather conditions and is at the sole discretion of the cruise line.

Nile cruise ships commonly dock side-by-side, sometimes several vessels across, due to limited port space. While moored, you will need to pass through other ships using connecting gangways to reach the dock. Cabin views will be obstructed or receive limited natural light during these periods. This is a normal part of the Nile cruising experience and should be expected regardless of ship category. Scenic views of the Nile are best enjoyed while sailing or from the sun deck when the vessel is underway.

Due to cabin configuration, triple and child accommodations are not available.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

All internal flight schedules will be confirmed closer to departure.

*Due to limited flights, your flight from Jordan to Egypt may take off as early as 4:30 a.m., requiring a 1:30 a.m. departure from the hotel.

**Due to limited flights, your flight from Cairo to Luxor may take off as early as 5:30 a.m., requiring a 2:30 a.m. departure from the hotel.

****Due to limited flights, your departure from Aswan to Cairo may take off as early as 6:00 a.m., requiring a 3:30 a.m. departure from the ship.

Please be advised, many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Internal flights are required for this tour and are included in the final price quoted at the time of booking.

Prepaid tipping is not available on our tours therefore payment of customary end-of-trip gratuities for your Tour Manager, driver, hotel housekeepers, and cruise ship waitstaff should be handled individually when applicable during the course of your tour.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
