The overall activity level of this tour is a level 4. This means you're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and half or full day hikes are things you may enjoy) and 10,000 steps a day is normal for you. You can handle longer walking tours (more than 3 hours covering 3+ miles at a steady clip) and activities that involve traversing uneven terrain, steep slopes, standing for periods of time, and varying altitudes and temperatures. In severe cases, most hotels are equipped with oxygen to assist with symptoms.

In general, hotels outside of Lima are small with one or two levels and do not have elevators, which may require you to climb 10-15 steps to get to/from the room.
