CEFCU STADIUM

Originally built 89 years ago in 1933 as a 4,000-seat facility, CEFCU Stadium (formerly known as Spartan Stadium), is an outdoor athletic stadium located in the Spartan Keys neighborhood of central San Jose, California. Owned by San José State University, the venue is the longtime home of Spartan football.

The stadium has been renovated and expanded over the years — the largest additions came in the 1980s when the capacity of the stadium was expanded from 18,000 to approximately 31,000 by adding boxes and an upper deck on the west side.

The stadium also received significant upgrades to the scoreboard and sound system in 2011 and 2020. This included installation of an HD video screen by Daktronics at the south end of the stadium in 2011, and a new, much larger video board at the north end in 2020.

HANDLERY UNION SQUARE HOTEL
