What do you get when you combine ancient glaciers, a legendary icefield, and all the wonders beneath the snow-capped Canadian peaks? One of the coolest vacations there is! This nine-day tour through the Canadian Rockies and Montana's Glacier National Park is an adventure filled with wild history, wild scenery, wildlife, and wild rides. Aboard a famous vintage Red Jammer, a massive ice explorer, a glass-walled boat (and even a flightseeing helicopter should you choose) you'll relish the best views of big skies, bighorn sheep, and even bigger bears. From rugged gold rush territory to the sparkling turquoise waters of Banff and Jasper National Parks, there are so many gems to sink your teeth into on this Canadian Rockies vacation. We suggest starting with a tender filet of Alberta beef and a heavenly slice of homemade huckleberry pie. It's only fitting to add the "Greatest Outdoor Show on Earth" to your great outdoors Canadian Rockies tour. Break in your boots and break out your 10-gallon hat for the Calgary Stampede, a "Wild West" festival that tips its Stetson to more than a century of cowboy culture and heritage. From bucking broncos to daring dishes, the world's largest rodeo — and one of Canada's largest music festivals — promises a delicious feast for your eyes, ears, and taste buds.

### VACATION EXPERIENCE ONLY A GLOBUS GUIDED TOUR CAN PROVIDE

**1. Trust in Togetherness.** When travelers book an escorted tour for their vacation, they're choosing to explore the world in a small group of like-minded travelers: People who stick together, from start-to-finish. Now more than ever, there's great comfort — and extraordinary confidence — in that choice.

**2. Getting Around, Safe & Sound.** The company's state-of-the-art vehicles have undergone thorough cleaning protocols between tours, and each day, travelers enjoy a freshly cleaned and disinfected motorcoach with touch-ups at every stop. Assigned seating (only next to those in your travel party), required hand sanitization and luggage disinfection (before boarding each vehicle) also offer reassurances for a worry-free getaway.

**3. Touching Hearts, Not Hands.** With help from their on-site Tour Director, globetrotters can enjoy the ripple effects of eliminating many travel "touch points" including luggage handling; hotel check-ins and check-outs and the purchase of sightseeing tickets. Even better? Globus Tour Directors secure expedited entry into must-see attractions which means no waiting in long, crowded queues of people. For moments when touch is necessary, Tour Directors are armed with hand sanitizer.

**4. Travel with Confidence.** While on trip, travelers can also enjoy many enhanced health and safety protocols with the company's new **On-Trip Assurance program**. Leaving nothing to chance, Globus' Global Health & Safety Team has established **on-trip protocols** that focus on travelers' health and safety as well as the overall, travel experience including:

- Pre-trip health screenings and temperature checks plus daily health checks.
- Social distancing whenever possible, thanks in part to Globus Go Beyond Devices.
- Wearing masks when social distancing is not a possibility.
- Touch-free meals (no self-service options at hotels or alike).
- Enhanced cleaning and disinfection standards and protocols at hand-picked hotels.
