Asakusa's main attraction is **Sensoji**, a very popular Buddhist temple built in the 7<sup>th</sup> century. The temple is approached via the **Nakamise**, a shopping street that has been providing temple visitors with a variety of traditional local snacks and tourist souvenirs for centuries. Next visit **Ameyoko**, a busy market street along the Yamanote Line Tracks between Okachimachi and Ueno Stations. The name "ameyoko" is a short form for "ameya yokocho" (candy store alley), as candies were traditionally sold there. Alternatively, "Ame" also stands for "America," because a lot of American products used to be available there when the street was the site of a black market in the years following WWII. Today, various products such as clothes, bags, cosmetics, fresh fish, dried food, and spices are sold along Ameyoko. Return to the hotel for a buffet dinner. (B, L, D)

**Day 5: Sat, Nov 15** – TOKYO – HAKONE. After breakfast, depart Tokyo for Hakone. Visit **Oshino Hakkai**, a set of eight ponds located in the Fuji Five Lake Region. The eight ponds are fed by melting snow from the nearby slopes of Mt. Fuji. The melted snow filtered down through porous layers of lava for 80 years, resulting in a very clear spring water that is revered by the locals. Next to one pond, visitors can drink the cool water straight from the source. You'll have time to explore the many restaurants, souvenir shops and food vendors around the pond. Enjoy lunch here (on your own). After lunch, continue to Hakone where much of the area is considered an active volcanic zone since its creation from eruption of Mt. Hakone some 3,000 years ago. Visit **Owakudani** ("Great Boiling Valley"), the source of the hot spring waters of Hakone. Next, take in the view of the surrounding countryside from the **Hakone Ropeway**.
