**Day 5: Tue, Mar 24** – SENDAI, JAPAN. Arrive 7:00 am. Depart 5:00 pm. Founded by the fearsome feudal lord Date Masamune, the city of Sendai is peppered with monuments to this Edo-period ruler, including his vividly hued final resting place, the ornate Zuihoden Mausoleum. Marvelous temples and shrines abound, including picture-perfect Rinno-ji Temple, which is surrounded by serene Japanese gardens. Savor one of the region's specialties, hiyashi chuka, a refreshingly cool ramen dish that is perfect for warm days, and then stroll among the shapely zelkova trees of Jozenji-dori Avenue, a delightful reminder that Sendai is nicknamed the "City of Trees." Towering above all is the Daikannon Statue, a representation of the Goddess of Mercy and one of the world's tallest effigies. (B, L, D)

The Eastern Cape is a nationally-designated Place of Scenic Beauty with a spectacular view of the surrounding ocean. Stop by the beaches of Sunayama or Aragusuku for sunshine and snorkeling. A visit to the Shigira onsen hot springs will help you relax or take a ride across the expansive Ikema Bridge for a scenic drive across the beautiful blue waters. (B, L, D)

**Day 7: Thur, Mar 26** – KUSHIRO (HOKKAIDO), JAPAN. Arrive 8:00 am. Depart 5:00 pm. An unsung gem in eastern Hokkaido, historical Kushiro offers an attractive balance of culture and surrounding natural beauty. discover some of Japan's most compelling scenery. Ascend to the observatory at Cape Chikyu and survey Hokkaido's spectacular coastal landscape, or venture to serene Lake Toya, which is graced with views of soaring Mt. Yotei, an almost symmetrical volcano reminiscent of Mt. Fuji. Sample the region's distinctive cuisine with a taste of curry ramen, a flavorful local twist on Japan's favorite casual noodle dish, and if you're a beer aficionado, a day trip to legendary Sapporo is a must, a vibrant town that is home to Japan's oldest brewery. (B, L, D)

The blush of cherry blossoms greets you in spring, while in winter the forests of the surrounding mountains are so heavily laden with snow that the trees appear to be giant white beasts. The port is dominated by Aomori Bay Bridge, offering great views of both the city and the harbor and mirroring the striking triangular design of the Aomori Prefecture Tourist Center. The skyline's contemporary angles result from the city's destruction during WWII and rebuilding thereafter, but Aomori also celebrates ancient societies that settled here millennia ago. Surprisingly, you'll be reminded of this prehistoric past at the 21<sup>st</sup> century museum of modern art, as its architecture pays homage to the nearby excavations of ancient ruins. After exploring the museums and markets, relax at the caldera lakes and natural onsen hot springs in the lush countryside. (B, L, D)
