Day 3: Tuesday, February 24, 2026 Anchorage - Alaska Wildlife Conservation Center - Anchorage Experience a captivating introduction to Anchorage before embarking on a journey along the Seward Highway, following the stunning shorelines of Turnagain Arm, considered one of the most picturesque highways in America. In the evening, gather with new friends for a welcome dinner in a local restaurant. *(B, L, D)*

Day 4: Wednesday, February 25, 2026 Anchorage - Palmer - Talkeetna Take a step into the past when you visit Musk Ox Farm. Learn about the Musk Ox project – a sustainable domestication effort that has worked to preserve, protect, and increase awareness for these wooly creatures since 1954. Continue on to Talkeetna as Denali, North America's tallest mountain, looms large over the landscape. Perhaps you will take an optional flightseeing tour and experience a breathtaking perspective of Denali (weather permitting). Check into the iconic Talkeetna Alaskan Lodge, perched on a ridge offering unforgettable views of Denali (when conditions allow). Later, perhaps you will spend some time on the lodge's expansive deck, a great place to search for the northern lights, or just enjoy some hot cocoa by the roaring fireplace in the great room. *(B, D)*

Day 5: Thursday, February 26, 2026 Talkeetna - Alaska Railroad - Fairbanks Begin your day with a lecture on the down-to-earth Alaskan lifestyle before hopping on Alaska Railroad's Aurora Winter Train for a full-day journey to Fairbanks. Sit back and relax as you are whisked away, through snow-covered mountains and striking valleys. Have your cameras ready – the train conductor will point out wildlife as you pass by. Dinner is included in the train's dining car. This evening you arrive in Fairbanks, your home for the next three nights and one of the best places in Alaska to see the northern lights. *(B, D)*

Day 6: Friday, February 27, 2026 Fairbanks Enjoy a full day at leisure in the city of Fairbanks. Take this opportunity to relax or flex your sense of adventure with optional excursions: consider flightseeing to the Arctic Circle. Late this evening, chase the legendary northern lights, considered to be one of the most amazing natural spectacles in the world. Walk out in the snow under an unspoiled bed of stars and search for the shimmering hues of green. *(B)*

Day 7: Saturday, February 28, 2026 Fairbanks Feel the brisk air and discover Fairbanks, the perfect combination of nature and civilization. Look into the past at the Antique Auto Museum, where vintage cars sit between timely artifacts and fashionable designer dresses from times gone by. Hop in a car and pose for a perfect souvenir snapshot. In the afternoon, embrace the Iditarod spirit as you step into a sled with an expert guide and glide over the snow with a pack of sled dogs. Stay for dinner at the kennel owner's home and learn more about what the life of a musher is like. Later in the evening, enjoy a final chance to spot the northern lights. *(B, D)*

Day 8: Sunday, March 1, 2026 Fairbanks - Tour Ends Enjoy a relaxing morning before heading to the Museum of the North, the University of Alaska's collection featuring 2.2 million years of biodiversity and thousands of years of human history. The remainder of your day is at leisure. Your hotel room is available for your use whether your flight is today, tonight, or tomorrow morning. *(B)*

The overall activity level of this tour is a level 4. This means you're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and half or full day hikes are things you may enjoy) and 10,000 steps a day is normal for you. You can handle longer walking tours (more than 3 hours covering 3+ miles at a steady clip) and activities that involve traversing uneven terrain, steep slopes, standing for periods of time, and varying altitudes and temperatures. You don't mind being on the go with some early starts, late nights, and full days. You can handle altitudes of 9,000 feet or higher with little to no issue. This level is not appropriate for travelers who use wheelchairs, walkers, and other mobility assistance devices.

Travel with an average of 16 people (maximum of 24).

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Temperatures in February and March can be quite cold. Anchorage averages a high of 20 degrees Fahrenheit (-7 degrees Celsius) / low of 11 degrees Fahrenheit (-12 degrees Celsius). Talkeetna and Fairbanks average a high of 12 degrees Fahrenheit (-12 degrees Celsius) / low of -13 degrees Fahrenheit (-25 degrees Celsius). It is strongly recommended that travelers dress appropriately for Arctic weather.

Travelers should expect temperatures from 26° to -1°F and plan on being outdoors for a number of included activities.

Travelers should be prepared to navigate streets with heavy snow and icy or slippery conditions on the ground.

The best time to see the northern lights is from late August through April and this itinerary was designed with a multiple-night stay in Fairbanks to enhance this opportunity. However, this is weather dependent, and sightings of the northern lights are not guaranteed.

Suitable outdoor gear will be available for rental prior to your tour departure at an additional cost.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, return flights should not be scheduled prior to 3:00 pm.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

Instead, a Real ID compliant form of identification must be presented both at the time of booking air travel with Collette and upon checking in at the airport to board any flight. Experience It! Aurora Borealis - Northern Lights

Due to its close proximity to the Arctic Circle, Alaska is one of the best places to see the Aurora Borealis – better known as the northern lights. This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere, yielding spectacular results. Streaks of colorful light that change from white to green, dazzle and move through the open sky like nature's own lightshow. The best time to see the northern lights is from late August through April. This is weather dependent, but the nights are the longest during these months which increases your chances of seeing the lights.
