### Experience It! Prague Old Town

For many world travelers, Prague Old Town is the epitome of what a European square and Old Town (*Staré Město* in Czech) should look and feel like. This medieval settlement was once separated from the outside by a moat and city wall that was connected at each end to the Vltava River. The moat is now covered up by the city streets, but where it once was is considered to be the boundary of the Old Town. Cobblestone streets, sweeping views of Prague Castle from the riverside promenade or from Charles Bridge, cellar restaurants, and the classic square have all made this a must-see destination for the traveler to Europe. Other must-see sites include the Old New Synagogue and Old Town Square with its Astronomical Clock. The Charles Bridge spans the river Vltava and connects the *Staré Město* to the Lesser Quarter (*Malá Strana* in Czech), a sprawling set of winding roads and lanes that lay at the foot of Prague Castle, which dominates the skyline of this side of the river.

## Important Tour Information:

**Book Now rates valid until July 31, 2025, valid on air inclusive packages only.**

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

In Budapest, not all major sites can be approached by coach. The 3-hour city tour includes significant amounts of walking and using public transportation at times.

The Prague Castle visit lasts approximately 3 hours and includes standing for longer periods of time.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

In Prague, you can expect up to a 2.5-hour walking tour with stops and be prepared for walking on uneven surfaces.

\*The Danube River Cruise to Melk Abbey is available mid-April to mid-October. Outside these times, a cruise through Vienna will be substituted.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
