RIVER: Danube River

VACATION OVERVIEW: The over-the-top homes. The complicated relationships. The relentless quest for power. Ruling Austria — and later the Austro-Hungarian Empire — for nearly 650 years, the Habsburgs formed one of history's greatest, yet often overlooked, European dynasties. This fascinating tour of Central Europe traces the family's steps — and missteps — as you enjoy the imperial sights of Prague, Budapest, and Vienna with additional overnights in melodious Salzburg and lively Munich. Ornate castles and cathedrals, stunning palaces and parks, and gorgeous gardens and grounds provide glimpse into the intriguing lives and lavish lifestyles of one of history's most powerful and controversial families. In-depth sightseeing and a cruise along the legendary Danube offer varied vantage points to witness the magnificent marks this royal family left on Central Europe.

Experience the extraordinary destinations of Eastern Europe on this Danube River cruise adventure through the Balkans. You'll cruise through the rich landscapes and cultural locales of Hungary, Croatia, Serbia, Bulgaria, and Romania. Embark on your Avalon Suite Ship® in Budapest, the lively Hungarian capital, and sail into beautiful Croatia. Enjoy a guided sightseeing tour in Vukovar and discover Ilok with its 1,000-year-old wine making tradition. Take a fascinating guided tour of the Serbian capital of Belgrade, one of the oldest cities in Europe, where the Sava River meets the Danube. Cruise through the dramatic views of Iron Gates Gorge—a natural border between Serbia and Romania. Visit Bulgaria's Belogradchik, and see the fascinating rock formations sculpted by natural elements for over 200 million years. On an excursion to the ancient Bulgarian capital of Veliko Tarnovo, you'll visit Arbanassi's Church of the Nativity, housing an impressive collection of frescoes.

To round out this timeless Eastern European river cruise, you'll stay in Romania's vibrant capital of Bucharest, known as the "Paris of the East." A local expert will show you many of its historical treasures, such as the Arc de Triomphe, built in honor of WWI soldiers.
