Then visit the **Tomita Farm**, simply the best spot to enjoy **seasonal flowers in bloom**. **Lavender** usually starts blooming in late June and reaches its peak around mid-July to early August. After lunch, visit **Blue Pond** and **Shirahige Waterfall**. The pond gets its name from the almost unworldly blue color of its waters. Depending on the weather and season, it can change from a milky light blue to a deep green-turquoise. The waterfall gets its name, which means “white beard waterfall” from

the vision created by the curtains of water cascading through the gaps in the cliff side. The panoramic flower gardens of **Shikisai-no-Oka** provide spectacular views across the hills of the Biei area. Return to Furano for dinner this evening. (B, L, D)
