## Important Tour Information:

**Book Now rates valid until July 31, 2026, valid on air inclusive packages only.**

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

\*\*\*\*The champagne cellars are only accessible via several flights of steep steps. The cellars are located underground and there are 120 steps down and 120 to exit the cellars. There is no elevator on the premises.

Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in the historic areas of Amsterdam, Bruges, Reims, and Paris. Because of these restrictions, some of your touring in Amsterdam and Paris will take place via public transportation (tramway, city bus, subway) which requires the ability to stand in moving vehicles using handrails and handles for support as seating cannot be guaranteed.

Tour buses are not allowed in certain areas and must drop off passengers at allocated drop-off points. Travelers must be able to walk up to three miles and use public transportation to access the historical city centers of Paris and Amsterdam.

If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of the areas on this tour and may want to consider an alternate tour with us. Our Client Care Agents can provide additional information or assistance to help you determine the perfect trip for you.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Days of features are interchangeable.

\*\*The Van Gogh Museum and the Anne Frank House are the two most popular sites in Amsterdam. Tickets are in high demand and are difficult to obtain on the day or close to the day of visit. If you are interested, we recommend that you purchase tickets online in advance through the museums' official websites. Tickets should be purchased for the afternoon of your second day in Amsterdam or any time during your third day in Amsterdam.

\*\*\*The optional tour 'A Day in Royal Delft' must be purchased at a minimum of 45 days prior to departure.

\*\*\*\*Paradis Latin may be considered unsuitable for children - consult your Tour Manager.

\*The Manor Amsterdam is situated in the east of Amsterdam. The city center is easy to reach within 7 minutes by public transportation.

Triple accommodations are not available due to hotel restrictions.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised, many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
