While there, **pick out "LIVE" crabs** from the tanks, to enjoy with a special kaisen don (fresh seafood over rice) lunch. Day 6: Mon, Feb 08 – SAPPORO. Today, you'll have the chance to **experience all three main sites** of the **SAPPORO SNOW FESTIVAL**: Tsudome, Odori, and Susukino. Started in 1950, when high school students built a few snow statues, the Sapporo Snow Festival has since developed into a **world-class event** attracting more than two million visitors. Begin the day at the Tsudome (Sapporo Community Dome) site, which boasts the most family-friendly interactive winter activities and games, including a maze, slides, and much more. Various food stalls will also be set up at its perimeter, allowing you to try local delicacies from grilled lamb to Sapporo-style ramen noodles. Then return to the hotel, where the remainder of the day is free to explore the other two sites – Odori and Susukino – at your leisure. The Odori site is the festival's main venue and was the original site of the first glacial gathering. This site stretches across Odori Park, with each of the 11 street blocks housing various interactive points or sights. The main highlights include snow sculptures from local artisans and Sapporo citizens, snowboard experience activities, and an impressive projection mapping show. While the Tsudome and Odori Park sites mainly use snow for their sculptures, the Susukino site focuses more on ice sculptures. One of the main events of the Susukino venue is the Ice Sculpture Contest, where budding ice artisans compete to create captivating caricatures. In the evening, the site transforms as organizers illuminate the venue with neon lights to bring the sculptures to life. (B)

Day 7: Tue, Feb 09 – SAPPORO. Day of leisure. The perfect opportunity to explore more of the **SAPPORO SNOW FESTIVAL** on your own. Or visit with family and friends. Don't forget the shopping opportunities at the Susukino Shopping Area, or the Tanuki Koji Shopping Arcade, the largest and oldest shopping arcade in Sapporo, which houses over 200 shops. Need more opportunities to shop? Drop by the MEGA Don Quijote Sapporo Tanukikoji Honten store in the Tanuki Koji area! (B)

Day 8: Wed, Feb 10 – SAPPORO – ASAHIKAWA. After breakfast, depart Sapporo. En route to Asahikawa, stop at the **Sunagawa Highway Oasis**, a shopper's paradise. Warm yourself with lunch (on your own) at the **Asahikawa Ramen Village**, where you'll get to choose the type of ramen lunch you'll have from one of eight ramen shops. Asahikawa is known for their shoyu based broths, while Sapporo is known for its miso based broths and Hakodate for its salt based broths. Which one will you try? After lunch, visit the **Asahiyama Zoo** to observe the **Penguin Walk**, in which the zoo's penguins

ASAHIKAWA WINTER FESTIVAL

walk along a 500 meter snow covered walkway, a way for the zoo to keep the birds fit during the winter months. While the penguins have a tendency to keep together as a group during these walks, sometimes some wander off course towards the crowd of visitors, and need to be “reminded” where they are going. Have your camera ready as these birds waddle past you on their daily walk. Next, experience one of the most popular winter festivals in Hokkaido, the **ASAHIKAWA WINTER FESTIVAL**. As Hokkaido’s second largest winter festival, after Sapporo’s snow festival, Asahikawa Winter Festival boasts one of the biggest snow sculptures. Each year, one massive sculpture is made as a stage for music or other performances. The giant sculpture has a different theme each year. What will the theme be this year? Will it top the giant sculpture built in 1994 which made it into the book of *Guinness World Records* as the largest snow construction ever built? Warm up over dinner at a local restaurant, before arriving at the hotel for the evening. Don’t forget to warm up in the **hotel’s public bath**. JR INN ASAHIKAWA (1 Night) (B, D)

Day 9: Thur, Feb 11 – ASAHIKAWA – OTARU. After breakfast, depart Asahikawa for Otaru. After lunch, arrive in Otaru. Take a stroll along the **Otaru Canal**. Next, stop at the **Otaru Music Box Museum**. A visit to the **Kitaiichi Glass Company** will delight your eyes with beautiful creations. Then, take in the sights of the **OTARU SNOW LIGHT PATH FESTIVAL**. The remainder of the evening is at your leisure. GRAND PARK OTARU (1 Night) (B, L)

Day 10: Fri, Feb 12 – OTARU – CHITOSE – HANEDA – HONOLULU. Depart Otaru for the Chitose Airport. En route, stop at an **AEON MALL** for last minute shopping and lunch (on your own). After, depart for the airport. Arrive early at the Chitose Airport and begin exploring the **shopping mall located within the Domestic Terminal**. Consisting of four floors of restaurants, shops, and activities, there’s something for everyone. Those with a sweet tooth will enjoy the Sweets Zone, ROYCE’ Chocolate World (factory, museum, shop, and bakery), and LeTAO Chocolatier. The kids and those young at heart will enjoy the Doraemon Sky Park, Hello Kitty Happy Flight (activity area, shop, and café; fees may apply), and the Pokémon store. A UNIQLO, which aims to provide customers with “ultimate casual clothes,” can also be found here. In addition, there are more than two dozen shops at the airport that specialize in various fresh, frozen, or dried seafood that can be eaten there or packed for you to bring home. Or you can relax in the airport onsen hot spring or movie theater (for a fee). Depart Chitose via Japan Airlines flt #516 at 3:45 pm and arrive in Tokyo’s Haneda Domestic Airport at 5:30 pm. Depart Tokyo’s Haneda International Airport via Japan Airlines flt #74 at 9:00 pm and arrive Honolulu at 8:45 am the same day. Aloha and welcome home! (B)
