CRUISE OVERVIEW: Join us for an adventure to ancient Egypt, as well as its modern enjoyments on a Nile River cruise for the ages. Arrive in Cairo and explore the pyramids and Sphinx of Giza. See the treasures of King Tutankhamun's tomb with a visit to Grand Egyptian Museum. In Old Cairo, visit the Alabaster Mosque, situated on the summit of the Citadel. Visit Abu Serga Church built on the spot where the Holy Family stopped and rested towards the end of their journey to Egypt. Also see the 4th century Church of the Virgin Mary (called the Hanging Church), built on the remains of an old Roman Babylon fortress. These and more exciting discoveries are to be found as you see Egypt's incredible monuments to pharaohs and gods of Egyptian history. Explore the National Museum of Egyptian Civilization and its Hall of Mummies before a felucca ride on the Nile and the chance to browse the bustling maze of the endless bazaar in Cairo's medieval alleys.

Fly to Luxor to embark on your Nile River cruise. You'll visit the monument of Karnak with its ancient Avenue of the Sphinxes and the Temple of Amun-Ra as well as Luxor Temple. Visit the Valley of Kings and Valley of Queens, where the pristine tomb of King Tutankhamun was found with undisturbed riches and splendor. This incredible cruise on the Nile River takes you to amazing ancient sites, including the Temple of Edfu, twin temples at Kom Ombo, devoted to the crocodile god Sobek-Ra and the falcon god Horus. Ponder the magnitude of the task of building the pyramids with a visit to the granite quarries — where an unfinished obelisk still remains. Visit the Temple of Isis, then take a return flight to Cairo for one night before the end of your vacation. Join us for this once-in-a-lifetime vacation tour in Cairo, expedition to Egypt's ancient pyramids and temples, and a Nile River cruise you'll never forget.
