Cruise the legendary Mekong River from vibrant Ho Chi Minh City to the ancient wonders of Siem Reap, drifting past riverside villages, floating markets, and timeless traditions. Along the way, connect with warm-hearted locals, witness artisans at work, and explore gilded temples rising from the jungle.

Day 2: Monday, December 6, 2027 Overnight Flight Continue on your journey to Ho Chi Minh City.

Day 3: Tuesday, December 7, 2027 Ho Chi Minh City, Vietnam Arrive in Ho Chi Minh City today. Once known as Saigon, this dynamic metropolis blends echoes of its storied past with the vibrant pulse of modern Vietnam. Discover grand colonial landmarks, energetic boulevards, and a celebrated food scene that spills from bustling markets onto every street corner. As travelers' arrival times will vary, we have not included any sightseeing today. Spend the day as you wish, exploring the city independently.

Day 4: Wednesday, December 8, 2027 Ho Chi Minh City Begin your journey into Vietnam's layered history with a visit to the Cu Chi Tunnels, a labyrinth of underground passageways that echo the resilience and ingenuity of the Viet Cong during the Vietnam War. As you descend into these narrow tunnels, imagine the lives of those who once sought refuge here, crafting strategies in the shadows. Later, back in the vibrant pulse of Ho Chi Minh City, taste Vietnamese coffee – it's strong and bold style is balanced with sweet, condensed milk. After lunch, take the afternoon for some independent exploration. This evening, gather with your fellow travelers for a warm welcome dinner at a local restaurant, where the flavors of Vietnam set the tone for the journey ahead. (B, L, D)

Day 5: Thursday, December 9, 2027 Ho Chi Minh City - Board Cruise Ship - Ben Tre The morning begins with a transition from the bustling streets of Ho Chi Minh City to the tranquil waters of the Mekong River. As your ship departs Saigon Port, watch the city's skyline dissolve into a tapestry of emerald-green rice paddies and winding waterways. The Mekong Delta, often called the "Rice Bowl of Vietnam," unfolds before you — a maze of life-giving rivers that sustain the communities along its banks. (B, L, D)

Day 6: Friday, December 10, 2027 Ben Tre - Can Tho Today, step into the rhythm of life along the Mekong. Glide through narrow waterways on a *sampan*, a traditional wooden boat, and feel the gentle sway of the river as you pass stilted homes and lush vegetation. In Ben Tre, the sweet aroma of coconut candy fills the air as you visit a family-run workshop, where generations have perfected this craft. Later, ride a vintage xe lam through the streets of Can Tho, a city that has long been the cultural heart of the Mekong Delta. At the Zihuang Pagoda, the vibrant colors and intricate carvings come alive with the energy of a traditional unicorn dance — a joyful celebration of local heritage. (B, L, D)

Day 7: Saturday, December 11, 2027 Can Tho - Hòa An - Giêng Island Before breakfast, experience the bustling energy of Cai Rang's Floating Market, where boats laden with fresh produce create a kaleidoscope of colors on the water. Sip on fresh coconut water as you weave through this lively marketplace, a cornerstone of Mekong Delta life. Later, in Hòa An village, connect with the land and its people. Learn how rice, the staple of Vietnamese cuisine, is cultivated and processed, and meet a family who crafts the iconic conical hats. As you try your hand at making one, you'll gain a deeper appreciation for the artistry and tradition woven into everyday life here. (B, L, D)

Day 8: Sunday, December 12, 2027 Giêng Island - Hong Ngu On Giêng Island, the gentle hum of craftsmanship fills the air as you visit a village where *sampans* are meticulously built by hand. Travel further into the island on a xe loi, a motorized rickshaw, to the serene Phanxico Monastery, a place of quiet reflection. In the afternoon, Hong Ngu welcomes you with open arms. Here, the rhythmic weaving of Khmer scarves tells stories of heritage and resilience, while the intricate embroidery adorning the village speaks to the artistry passed down through generations. At a nearby temple dedicated to Hoa Hao, feel the spiritual heartbeat of the community — a moment of connection to the soul of this land. (B, L, D)

Day 9: Monday, December 13, 2027 Hong Ngu - Phnom Penh, Cambodia As the Mekong carries you across the border into Cambodia, the vibrant energy of Phnom Penh awaits. Explore the city on a cyclo, a traditional three-wheeled bicycle taxi, and feel the lively rhythm of the riverfront as you approach the Royal Palace. Within its golden gates, wander through manicured gardens and marvel at the Silver Pagoda, where treasures like the Emerald Buddha and a dazzling Maitreya Buddha reflect Cambodia's rich spiritual heritage. At the National Museum, the echoes of ancient civilizations come alive through pre-Angkorian and Angkorian artifacts, offering a glimpse of Cambodia's grandeur. (B, L, D)

Day 10: Tuesday, December 14, 2027 Phnom Penh This morning, travel by coach to Choeung Ek, one of Cambodia's most somber and historically significant sites. Walk the grounds of the Killing Fields, visit the small museum, and pause at the Memorial Stupa as you learn about the tragic events of the Khmer Rouge era. Continue to Tuol Sleng, a school transformed into the notorious S-21 prison, for deeper insight into this painful chapter of Cambodian history. Return to Phnom Penh for an afternoon at leisure to explore the city's inviting cafés, riverfront promenades, and vibrant markets at your own pace. (B, L, D)

Day 11: Wednesday, December 15, 2027 Phnom Penh - Angkor Ban - Kampong Cham Spend the morning relaxing and watching the small villages pass by as we sail further up the Mekong to Angkor Ban. Tour the town in the afternoon, one of the few that survived the Khmer Rouge's destruction. Many of the original homes, some of which are several hundred years old, remain standing. Visit the village temple, where saffron-robed monks chant soft blessings. Meet a local family and learn about their lives and the challenges they face. Sail further up the Mekong this evening to dock at Kampong Cham. (B, L, D)

Important Tour Information:

Book Now rates valid until July 31, 2026 valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 19 people (maximum of 24).

To experience this tour fully, we recommend that all travelers be in reasonably good health and prepare properly.

Certain excursions include travel by xe lam through local village roads. Boarding requires stepping up into a small, three-wheeled vehicle with limited handholds. Travelers should be comfortable with tight seating spaces and vehicles without modern suspension, which may result in a bumpy ride.

In Phnom Penh, the cyclo tour requires travelers to climb in and out of the cyclo's front seat, which may be low to the ground. Cyclos move at a gentle pace, but the experience involves exposure to busy traffic, noise, and weather.

Throughout the cruise, travelers will board small *sampans* (small, flat-bottomed wooden boats) to reach riverside villages and cultural sites. Travelers must be able to step into and out of low, narrow boats without assistance. Embarkation may involve steep or shifting riverbanks, depending on water levels and local conditions.

Certain requests may be subject to availability, local regulations, or operational limitations. Advance notice allows us to explore options and communicate any restrictions that may affect your tour.

If you require any special assistance while on tour, please make us aware at the time of reservation so the necessary request form can be sent to your attention.

While this tour is appropriate for travelers that require some mobility assistance devices, river cruises cannot accommodate travelers on wheelchairs or with restricted mobility due to gangway access, mooring requirements, and lack of elevator accessibility to every deck of the ship.

When traveling in Southeast Asia, you will encounter full days of sightseeing, frequently in warm temperatures.

When traveling along the Mekong River, you will encounter some full days of sightseeing in warm to hot temperatures and high humidity. Midday temperatures can range from 68-95 degrees Fahrenheit (20-35 degrees Celsius), with humidity levels 70% and above.

There is one long transfer day with approximately 4 hours or more of driving, including stops, as you transfer from Kampong Cham to Siem Reap.

There is one internal flight on this tour. Schedule changes may impact the tour schedule and require early/late departures and reorganization of inclusions.

Personal audio devices (headsets) are not included on this tour.

The days and order of sightseeing may change to best utilize your time on tour.

Museum visits and shopping may be affected by the observance of religious or local holidays.

Cabins are available on both the main and upper decks. River cruises are smaller ships and only have a limited number of each cabin category available. These cabin categories are available on a first-come, first-served basis. Every effort will be made to accommodate your cabin choice at the time of reservation, however, if that cabin category is no longer available, the closest available category will be offered. Please inquire through our Client Care Center for any upgrade fees which will apply for different cabin categories. The entry level cabin is a Junior Suite, with upgrades available to Saigon Suites, Apsara Suites, Tonle Suites, and Angkor Suites.

Suites are very limited and available on a first-come, first-served basis.

Single accommodations are extremely limited. Single rate subject to change based on availability. Triple accommodations are not available.

The Mekong Princess does not have an elevator and will require climbing stairs to access rooms and common areas.

If you have dietary restrictions or food allergies, please notify us at the time of booking. While we do our best to accommodate requests, options may be limited and cannot be guaranteed.

Meals are prepared in shared kitchens, and we cannot guarantee they will be free from cross-contamination.

International travel may present challenges as menus reflect local tastes, and alternative diets may not be widely understood. Group meals typically feature pre-fixed menus designed to suit a variety of travelers. Smaller coaches, which may not be lavatory-equipped, may be used on this tour. In this case, frequent stops are made during travel periods.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.
