Day 1: Monday, March 27, 2028 Depart Honolulu - Overnight Flight You're on your way to Türkiye, a country that bridges two continents, where Europe gives way to Asia, and thousands of years of history pulse through every city, coast, and valley. Ancient trade routes, living traditions, and a landscape unlike anywhere else await. The journey begins now.

Day 2: Tuesday, March 28, 2028 Overnight Flight Continue your journey to Türkiye.

Day 3: Wednesday, March 29, 2028 Izmir, Türkiye Welcome to Izmir. Once the ancient city of Smyrna, today it's a lively Aegean port where centuries of civilization have left their mark on every café-lined street and sun-warmed promenade. Settle into your hotel for three nights. With no included activities today, the evening is yours to unwind and explore in your own way.

Day 4: Thursday, March 30, 2028 Izmir Start your day with a visit to Karsiyaka, a district translated literally as “the other side.” Walk through its main street filled with shops and restaurants that have preserved their Turkish roots. Then, take a short public ferry to Konak Pier. You'll get a real feel for the city's rhythm and daily life as you explore and taste your way through the winding lanes of the Kemaralti Bazaar with your Tour Manager. Stop at several local market vendors for *simit*, *börek*, and more. The afternoon is yours and your hotel places you in the center of it all. Explore the seafront promenade, browse the shops, and find a spot that feels like your own. Tonight, gather with your fellow travelers for a welcome dinner. (B, L, D)

Day 5: Friday, March 31, 2028 Izmir - Ephesus - Sirince - Izmir This morning, your in-depth tour of ancient Ephesus (UNESCO) takes you through the residential Terrace Houses, past the great Library of Celsus and the ruins of the Temple of Artemis, walking the same marble paths that Paul the Apostle once traveled. Visit the Archaeological Museum to round out the morning. This afternoon, the hilltop village of Sirince awaits — a rare, protected example of Ottoman Christian architecture, its streets lined with locally made olive oil, wine, and peaches. Settle into a café for an exclusive experience sipping *Türk kahvesi*, and maybe even letting a local read your fortune from the grounds. (B)

Day 6: Saturday, April 01, 2028 Izmir - Pamukkale - Dalyan Head inland this morning to Pamukkale (UNESCO), where the ruins of the Greco-Roman city of Hierapolis sit above one of nature's most unexpected sights — the "Cotton Castle", a cascade of white limestone terraces and thermal pools that must be seen to be believed. A private golf cart tour of the archaeological site brings the ancient world to life. With free time, wander the "Cotton Candy" pools* at your own pace. By evening, you're in Dalyan, where you'll spend two nights at a family-run bed & breakfast, simple and welcoming, with a deck overlooking the

water. The rest of the evening is yours to unwind in this riverbank town. (B)

Day 7: Sunday, April 02, 2028 Dalyan - Kaunos - Dalyan After a leisurely and traditional Turkish breakfast, tour the ruins of ancient Kaunos before stepping aboard a private boat for a trip along the river that winds from Dalyan out toward the Mediterranean. The marshland you pass through is alive — herons, fish, and sea turtles share these waters — and the Aegean coastline opens up ahead of you. Weather permitting, there are stops along the way for a swim.** Return to Dalyan for an evening at leisure. (B, L)

Day 8: Monday, April 03, 2028 Dalyan - Burdur - Konya Today you follow one of history's great paths, the ancient Silk Road, which once carried goods, stories, and people from China all the way to Istanbul. It's a full day on the road, with a lunch stop in the city of Burdur, known for its simple, yet delicious food. By early evening, you arrive in Konya, a deeply spiritual city with a remarkable past, where dinner at the hotel is included at your leisure. (B, L, D)

Day 9: Tuesday, April 04, 2028 Konya - Sultanhanı Caravanserai - Cappadocia This morning, visit the Mevlâna Museum in Konya, the world center of the Whirling Dervishes and one of the most visited pilgrimage sites in the world. The road then leads to a visit to Sultanhanı Caravanserai, one of the largest surviving Silk Road rest stops, where the soaring stone vaults give you a real sense of the scale of ancient trade. Arriving in Cappadocia in the early afternoon, you'll tour one of the region's extraordinary underground cities, some carved nearly 3000 years ago as refuge from invasion. As you make your way to the hotel, the valley opens up around you: volcanic rock formations shaped over millennia into something that feels like another world. (B, D)

Day 10: Wednesday, April 05, 2028 Cappadocia Rise early for an optional hot air balloon ride*** above the fairy chimneys and ancient rock dwellings of Cappadocia — few mornings will top this one. After regrouping with your fellow travelers, visit the Göreme Open Air Museum (UNESCO), where eleven rock-cut churches and monasteries hold centuries-old frescoes. Lunch is a home-cooked experience with a local family — vegetables from the garden, hands in the soil, stories across the table. A pottery workshop follows, where you'll see how Cappadocia's distinctive clay tradition has been shaped from the land itself. This evening, gather for a Whirling Dervishes ceremony.**** (B, L)

Day 11: Thursday, April 06, 2028 Cappadocia This morning, **it's your choice!** Join your Tour Manager for a leisurely walk through Love Valley among the fairy chimneys at ground level **-OR-** go off-road on a private 4x4 safari. After you've worked up an appetite, lunch is an **Impact Moment** at Tik Tik, a women's cooperative restaurant where your meal directly supports the women who made it. Afterwards, a carpet weaving demonstration follows, tracing the full journey from silkworm to finished pattern — a tradition as intricate as the rugs themselves. (B, L)

Day 12: Friday, April 07, 2028 Cappadocia - Istanbul A short flight this morning carries you from the valleys of Cappadocia back to Istanbul, where continents and centuries collide in the best possible way. Your first stop is the Grand Bazaar, a labyrinthine covered market that has been humming with trade for over 600 years. Browse, barter, and soak it all in before checking into the hotel. This evening, regroup with your fellow travelers for dinner at a local restaurant. (B, D)

Day 13: Saturday, April 08, 2028 Istanbul Today belongs to Istanbul's greatest landmarks, and they do not disappoint. Visit Hagia Sophia (UNESCO), a breathtaking structure that has served as cathedral, mosque, and museum over the course of its long life, before stepping inside Topkapi Palace and Harem, where the Ottoman Sultans once held court. Then, continue to the 17th-century Blue Mosque with its cascade of domes and slender minarets, followed by the Hippodrome, once the roaring heart of the Roman Empire. Istanbul's legendary traffic is very much part of the experience — patience is its own reward here. (B)

Visit the Museum of Turkish and Islamic Art, with its extraordinary collection of woven carpets dating to the Ottoman Empire, or treat yourself to an optional *hammam*, an authentic Turkish scrub and foam bath in a historic bathhouse. Important Tour Information:

Book Now rates valid until September 30, 2026, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 19 people (maximum of 24).

The sightseeing in Istanbul requires a minimum of 2 miles (3.2 kilometers) of walking per day. You will be walking over cobblestone streets with narrow sidewalks, at times uphill.

Visiting sites such as the underground city and the Göreme Open Air Museum require climbing and descending steep staircases and/or ramps with limited to no help from handrails.

Some of the activities on this tour may not be suitable for people who suffer from claustrophobia.

Agility is required for boarding the boats on your included tours.

If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of the areas on this tour and may want to consider an alternate tour with us. Our Client Care Agents can provide additional information or assistance to help you determine the perfect tour for you.

If you require any special assistance while on tour, please make us aware at the time of reservation so the necessary request form can be sent to your attention.

For the archeological sites of Ephesus and Kaunos, and in Cappadocia, your tour includes many activities that require walking on uneven, unpaved terrain, often with loose stones.

This tour includes several early-morning departures and full-day transfers.

In order to fully experience the destination, some of our hotels on these tours are located in historic districts, smaller towns, or on country roads where access is limited to large coaches. In these cases, you will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area.

Museum visits and shopping may be affected by observance of religious or local holidays.

**Swimming stops will be made weather permitting. Water temperatures in this part of the Aegean Sea average 63F (17.2C) in April, 68F (19.8C) in May, 73-81F (23-27C) between June and October, and 69F (20.6C) in November. Be sure to bring adequate sun protection. Swimming stops from the boat require the use of a pool ladder to enter and exit the water.

The days and order of sightseeing may change to best utilize your time on tour.

Modest attire is required for visiting religious sites. Mosques require all travelers to remove their shoes. We recommend wearing or bringing a pair of socks to use during the mosque visits. Women will have to cover their heads with a scarf and wear a long skirt or trousers, while men will need to wear trousers or shorts that fall below the knee.

*The natural pools of Pamukkale's "Cotton Castle" are visible from a viewpoint. Due to the reduction in the strength of the natural water spring, only about 15% of the pools have water in them. Accessing the pools requires the ability to walk barefoot on wet, slippery limestone. Due to the fragile nature of the limestone, the use of any kind of shoes is forbidden. We suggest bringing a towel with you if you plan to access the pools. Bathing in the pools is not allowed.

Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas such as Istanbul's Golden Horn district, the town of Dalyan, and the archeological sites of Ephesus, Pamukkale, and Kaunos.

****This is a religious ceremony, not a performance, and photography will not be permitted, though the Dervishes may linger for pictures afterwards.

***If joining the optional hot air balloon ride, you will depart the hotel around 5:00 a.m. and return in time for breakfast, prior to joining the tour group for your included activities. Agility is required for climbing into and out of the balloon's basket. The burner that powers the hot air balloon is positioned above the travelers' heads and is noisy as well as hot. The balloon ride is subject to wind and weather conditions and may be cancelled last minute, in which case you will be refunded. The option must be purchased in advance, no later than 30 days prior to the departure date. While every effort is made to secure space for your balloon ride, space is extremely limited and when demand exceeds availability, the hot air balloon operators retain the right to cancel reservations even when previously confirmed. If this situation should occur, you will be refunded. This tour is not exclusive to our travelers; therefore, you may be with travelers from other tour companies.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

Our air travelers will arrive at and depart from Istanbul airport.

One internal flight is required in order to participate in this tour and is included in the final price, quoted at time of booking. The exact internal flight times may vary from early morning to mid-afternoon. In some cases, your visit to the Grand Bazaar may be moved to your second day in Istanbul.

Prepaid tipping is not available on our tours therefore payment of customary end-of-trip gratuities for your Tour Manager, driver, hotel housekeepers, and cruise ship waitstaff should be handled individually when applicable during the course of your tour.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
