Important Tour Information:

Book Now rates valid until December 18, 2026 , valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

**Travelers are responsible for handling their own luggage when getting on and off the ferry. Travelers have the option of storing their larger suitcases on the bus for 3 days until they return to mainland Sicily, bringing a small carry-on with them on the island.

In order to access the archeological sites of Agrigento and Taormina, you will be required to negotiate steep inclines, tall steps, and walk over cobblestones or uneven paths with loose gravel.

The hotels in Palermo, Marsala, Salina, and Taormina are not motor coach accessible and require walking 0.1 to 0.3 miles (150 to 450 meters) each way to the bus pick-up point.

Most of the sightseeing activities require accessing locations that restrict motor coaches, especially in the historic areas of Palermo, Monreale, Marsala, Cefalù, and Taormina. When arriving by motor coach, it will drop you off at a mandated location, situated approximately 0.5 to 0.8 miles (800 meters to 1.2 kilometers) from the starting point of the actual sightseeing tour. These towns require walking up and down hills with narrow, cobblestone streets, and stairs without handrails.

Sightseeing is entirely on foot and requires the ability to alternate walking and standing for up to 20 minutes at a time, as there are no benches.

The accommodations and included activities are not suitable for travelers using motorized scooters, wheelchairs, walkers, or Zimmer-frames.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

There are 4 days with long bus transfers. The longest driving day includes 4 hours of driving time (with stops every 90-120 minutes).

You should expect large crowds in Palermo, Monreale, Agrigento, Cefalù, and Taormina. Anticipate walking and standing shoulder-to-shoulder with other people and be prepared to wait in line even when you have a reservation.

Museum visits and shopping may be affected by the observance of religious or local holidays.

The days and order of sightseeing may change to best utilize your time on tour.

*All included and optional boat and ferry rides are weather dependent. In the case of adverse sea and/or wind conditions, some or all ferry and boat rides may be delayed or cancelled. In particular, the boat to the Isle of Salina may be delayed or cancelled resulting in partial reduction of your time on the isle (or cancellation of the visit). In case of this event, there will be a replacement accommodation arranged and a comparable program on the mainland.

Most shops and businesses in Italy are closed on Sundays and on national/religious holidays.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

Our return transfers will depart from Taormina to Catania airport.

Our air travelers will depart from Catania airport.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised, many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Prepaid tipping is not available on our tours therefore payment of customary end-of-trip gratuities for your Tour Manager, driver, hotel housekeepers, and cruise ship waitstaff should be handled individually when applicable during the course of your tour.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
