Fuji that has filtered through porous lava for 80 years, creating crystal-clear spring water cherished by locals. Visitors can drink the naturally chilled spring water straight from the source! Continue on to Hakone, a region largely considered an active volcanic zone since its creation from Mt. Hakone about 3,000 years ago. Enjoy a **boat ride** on the beautiful **Lake Ashi**, offering scenic views of Mt. Fuji and Hakone Shrine's iconic torii gate. Transfer to the hotel for a buffet dinner. Day 6: Fri, Oct 08 – HAKONE – KYOTO – OSAKA. This morning, board your coach and travel to Odawara Station. Pick up a bento to enjoy for lunch onboard the train. Depart via a JR Super Express train to Kyoto. Upon arrival in Kyoto, transfer to the **Uzumasa Kyoto Village** (also known as Kyoto Studio Park). It is Japan's first and only movie theme park that allows visitors to freely explore the actual filming sets of jidaigeki (period drama) films and tv dramas that are set during the Edo period. The park has recently undergone renewal to offer a historically immersive experience, centered on the concept of "Losing Yourself in Kyoto of the Edo Era." While here, you'll have the chance to **paint your own fox mask**. The fox mask represents the mythical kitsune (fox spirit), a symbol of intelligence, cunningness, wisdom, and transformation. Rooted in Shinto tradition as messengers of the deity Inari, these masks denote protection against evil, prosperity, and the duality of fox spirits as either mischievous tricksters or benevolent guardians. Traditional masks feature red, black, and gold markings on a white mask. The white represents purity and divinity, while the red markings – usually placed around the eyes and ears – are meant to protect against demons. Don't stick to the traditional colors and let your imagination run wild! Next, visit the famous **Kinkakuji (Temple of the Golden Pavilion)**, a Zen Temple whose top two floors are completely covered in gold leaf. Continue to the hotel in Osaka. After check-in, the remainder of the evening is at your leisure. Your Local Guide will have suggestions for nearby dining and shopping opportunities. THE PARK FRONT HOTEL AT UNIVERSAL STUDIOS JAPAN (2 Nights) (B, L)

Return to the hotel at your leisure. (B)

[Δ] Entry ticket for Super Nintendo World is NOT included. The market is famous for its fresh seafood, fruits and vegetables, meats, dried fish, pickles, and confectionery. Many stalls will prepare, cook and serve their food to you right on the spot! Next, visit Dotonbori and Shinsaibashi, a couple of interconnected districts renowned for their vibrant food and shopping scenes. **Dotonbori** is a popular shopping and entertainment district that runs parallel to Dotonbori Canal, and is also known as a food destination with a wide variety of street food. At approximately a third of a mile long, **Shinsaibashi** and the surrounding area are Osaka's premier shopping center. The unique area combines chain retail stores and trendy boutiques with department stores and top designer fashion labels. Enjoy lunch in the area (on your own). Finally, get some last minute shopping done at an **AEON MALL** before transferring to Kansai International Airport for your return flight home.
