**Day 2: Sat, Oct 18** – IN TRANSIT. Arrive in San Francisco at 7:48 am. Depart San Francisco via United Airlines flt #507 at 4:30 pm.

**Day 3: Sun, Oct 19** – ROME, ITALY. Arrive in Rome at 1:20 pm. Welcome to Rome, “the Eternal City.” After entry formalities, meet your Globus Tour Director at the airport. Begin your time in Rome at the **Fontana di Trevi** (the Trevi Fountain), Rome’s largest and most beautiful fountain. Will you join the millions of visitors a year that throw a coin into the fountain? Remember to throw the coin with your right hand, over your left shoulder. Next, visit the **Pantheon**, which is not only the best preserved ancient Roman monument in the world, but it’s also the most copied. Originally built as a temple in ancient Rome, the structure you see today was actually reconstructed around 126 AD. The **Piazza Navona** is one of the most beautiful squares in Rome, home of some of its most famous fountains, including the Fountain of the Four Rivers and the Fountain of Neptune. Finally, you will **learn to cook just like “Nonna” (Grandma)** using inherited recipes. You are welcomed with drinks and antipasti to Passetto. The chef will teach the class how to make two fresh pastas in a state-of-the-art-kitchen. But what to stuff or adorn the pastas with? This will depend on the season, and you are welcome to specify if there is a specific pasta dish they would like to learn to make. To finish the class will come together in the dining room to enjoy what has been prepared with local wines and coffee. A lovely evening in Rome. After dinner, transfer to the hotel. AMERICAN PALACE EUR or Similar (2 Nights) (D)

**Day 4: Mon, Oct 20** – ROME. Rome will be celebrating the Jubilee in 2025; a holy year that’s a major milestone for the Catholic Church. The Jubilee is a time for spiritual renewal and cultural celebration, and it’s marked by a pilgrimage of millions of people to Rome. The Jubilee begins on December 24, 2024 and ends on January 6, 2026. Take part in the pilgrimage as you visit the **Basilica of Saint Mary Major**, the church of Santa Maria Maggiore, one of the four major papal basilicas as well as one of the Seven Pilgrim Churches of Rome and the largest Marian church in Rome. Take a guided tour of the inside of the church, including the Upper Area (Loggia, Popes’ Hall, Bernini’s staircase, and Liberian Historical Museum), Basilica and Archaeological Area. Next, visit the **Colosseum**, the largest amphitheater ever built. It could hold an estimated 50,000 to 80,000 spectators – with an average audience size of 65,000. It was used for gladiatorial contests, animal hunts, executions, and re-enactments of famous battles. Although substantially damaged by earthquakes and stone robbers, the Colosseum is still a renowned symbol of Imperial Rome and is listed as one of the New Seven Wonders of the World. The **Roman Forum** was the scene of public meetings, courts of law, and

gladiatorial combats in republican times, and was lined with shops and open-air markets. It was the most important forum during ancient Rome and is situated on the low ground between the Palatine and Capitoline Hills. The **Arch of Constantine** marks the first time a Roman emperor celebrated victory over fellow Romans so blatantly. The 20 meter high monumental arch is situated between the Colosseum and the Temple of Venus and Roma – making it a highly visible reminder of Constantine’s triumph. The **Palatine Hill** was once considered the cradle of the Italian capital and believed to be inhabited since 1,000 BC. The site is now mainly a large open-air museum. Enjoy lunch at a local eatery. After lunch, experience **“Welcome to Rome,” a multimedia show** that allows you to discover the history and development of Rome throughout its 2,700 year history. Return the hotel for an evening of leisure (B, L)

You may also explore the Catacombs of San Domitilla, the oldest catacomb, with features a 2<sup>nd</sup> century fresco of *The Last Supper* and is accessed by passing through a 4<sup>th</sup> century church. Afterward, visit the **Papal Basilica of St. Paul Outside the Walls**, one of Rome’s four ancient, major Papal basilicas. Enjoy lunch at an authentic Italian restaurant.
