The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, Zodiac, etc.), and could possibly anticipate changes in elevation. Our itineraries include many activities that require walking on uneven terrain and sand. Visiting the Tombs of the Valley of the Kings requires descending steep staircases and/or ramps with limited help from handrails. These visits may not be suitable for people suffering from claustrophobia. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas. For your comfort, we recommend bringing sturdy walking shoes. You can expect some longer days balanced with free-time to recharge or set out on your own adventure. Temperatures can reach over 100° F (37°

C), particularly in Aswan, Luxor, Wadi Rum and Petra. Be sure to bring adequate sun protection.

For inter-flights between Cairo and Aswan and between Luxor and Amman, you should expect early morning departures from your hotel due to early morning flight schedules. You should also expect early morning departures on the days the Pyramids of Giza and the Valley of the Kings are featured.

Each guest is responsible for proper medical documentation and inoculations that may be required and/or recommended to participate on this tour. Please contact your local travel clinic or personal physician for specific details on the destinations you are traveling to and from.

Abu Simbel Day

\$400 USD

Visit the great sun temples of Abu Simbel, built by Ramses II at the height of his New Kingdom reign. In one of the world's greatest cooperative preservation efforts, these temples were dismantled and moved in 1968 to save them from the flooding of the Aswan Dam. The Temple of Ramses II was constructed so that the sun's rays would illuminate four statues of Egyptian deities within the sanctuary on his birthday and on the anniversary of his coronation, October 20 and February 20. The temple is fronted by four colossal figures of Ramses II seated with the gods and attended by his Queen and daughters. The smaller temple is dedicated to Queen Nefertari, who appears as Hathor, the goddess of love, joy and fertility. Please note: this option must be booked at least 65 days prior to departure and passport number is required at time of booking; this option is non-refundable within 45 days of departure. Duration: Approximately 6 hours. Please note a minimum of 10 passengers is required. Transportation is included.
